THE RAIDER 1973

SOMERSET
HIGH
SCHOOL
SOMERSET
MASSACHUSETTS

Learning . . .

*Shall we not learn from life
 its laws, dynamics, balances?
 Learn to base our needs
 not on death, destruction, waste,
 but on renewal?
 In wisdom and in gentleness
 learn to walk again with
 Eden's angels?
 Learn at last to shape a
 civilization
 in harmony with the earth?*

Life . . .

*Life and death on this planet
now lie in Man's hands.
At depth after depth
we penetrate these phenomena
which encompass us.
Still beyond our grasp
shimmer the ultimate truths.
Unless we master these
how shall we learn —
not to die —
but to live?*

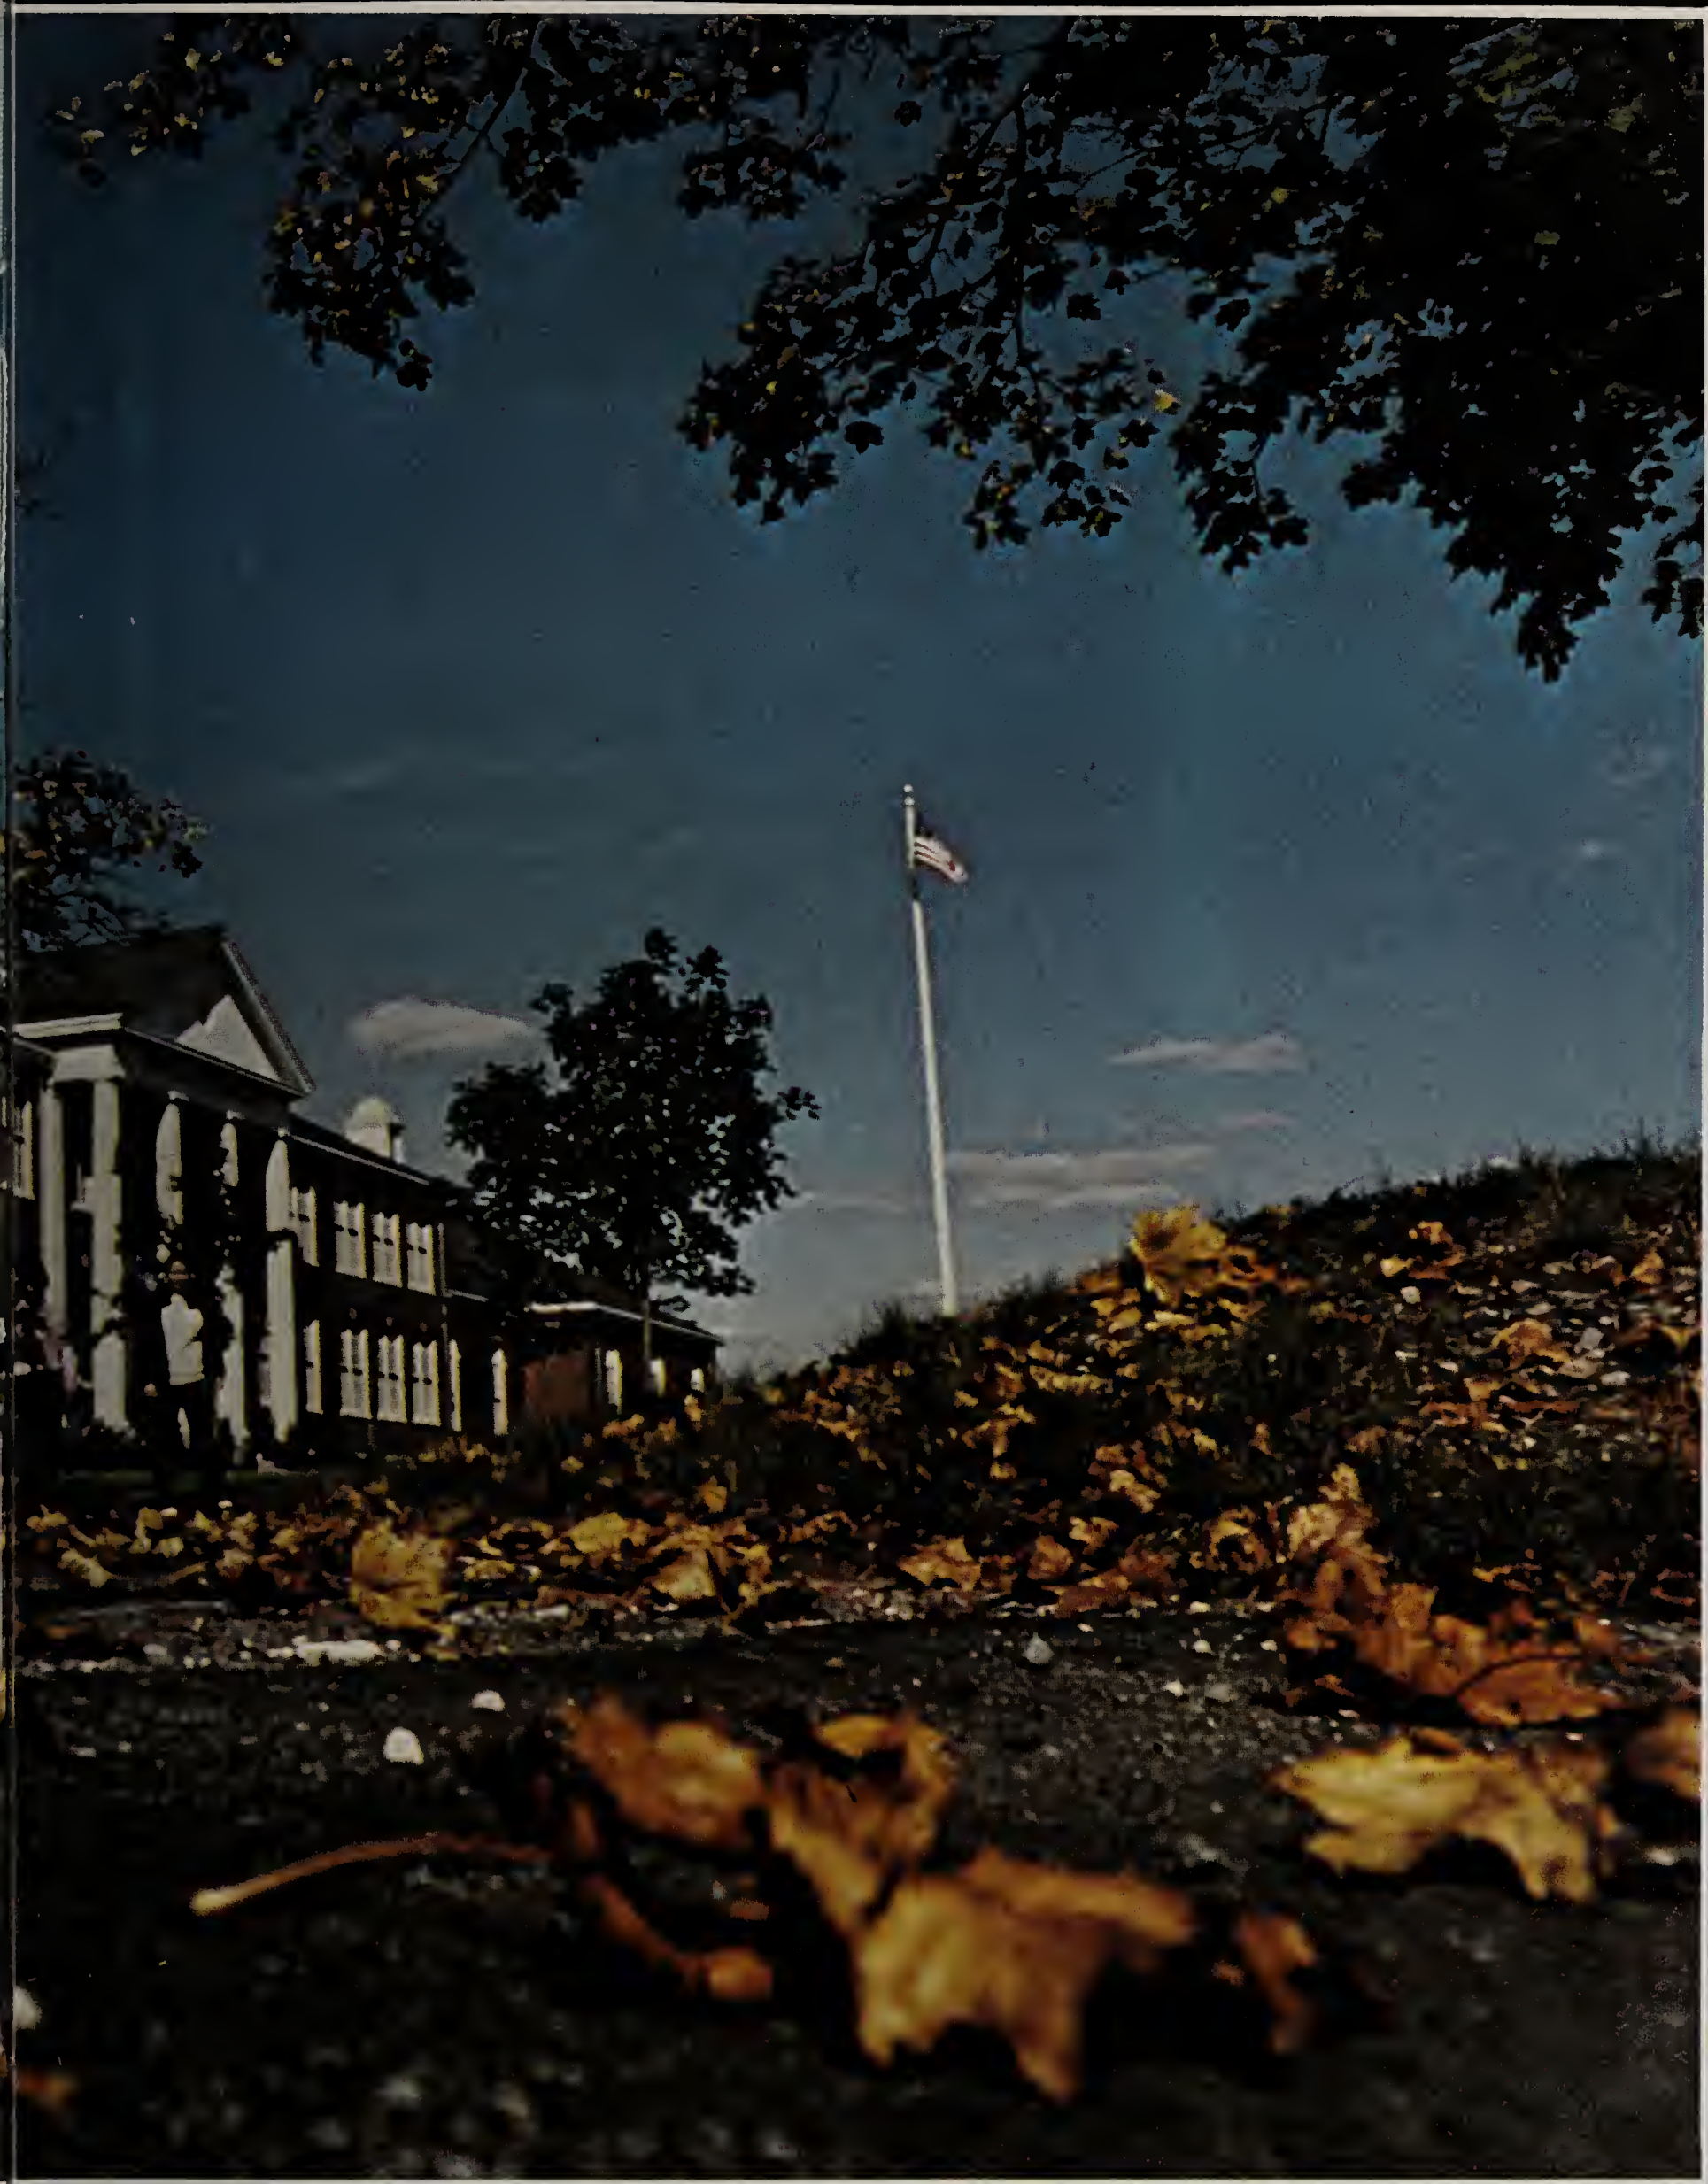

*This, as citizens,
we all inherit.
This is ours, to love
and live upon,
and use wisely
down all the generations
of the future.*

Time, alone, will determine the impact of this year.

Principal

Carl W. McDermott

Without ideals,
Without effort and scholarship,
Without philosophical continuity,
There is no such thing
as education.

Abraham Flexner

Mr. Carl W. McDermott has been a familiar sight to the Class of 1973 since our junior high school days and has seen us develop mentally and socially from adolescence to young adulthood.

His awareness of the problems encountered by high school students combined with his concern and involvement at Somerset High School make him a truly unique principal.

THE 1973 MAN . . .

MR. ROBERT TAYLOR

The Senior Class at Somerset High School is honored to dedicate the 1973 Raider to Mr. Robert Taylor. In teaching history, English and co-operative education at SHS, Mr. Taylor has shown an interest in his students which is reciprocated by respect and admiration. His personality and easy manner is seen in his ability to work effectively with students and staff at SHS.

At Somerset High School — Mr. Robert Taylor, the "1973 MAN!"

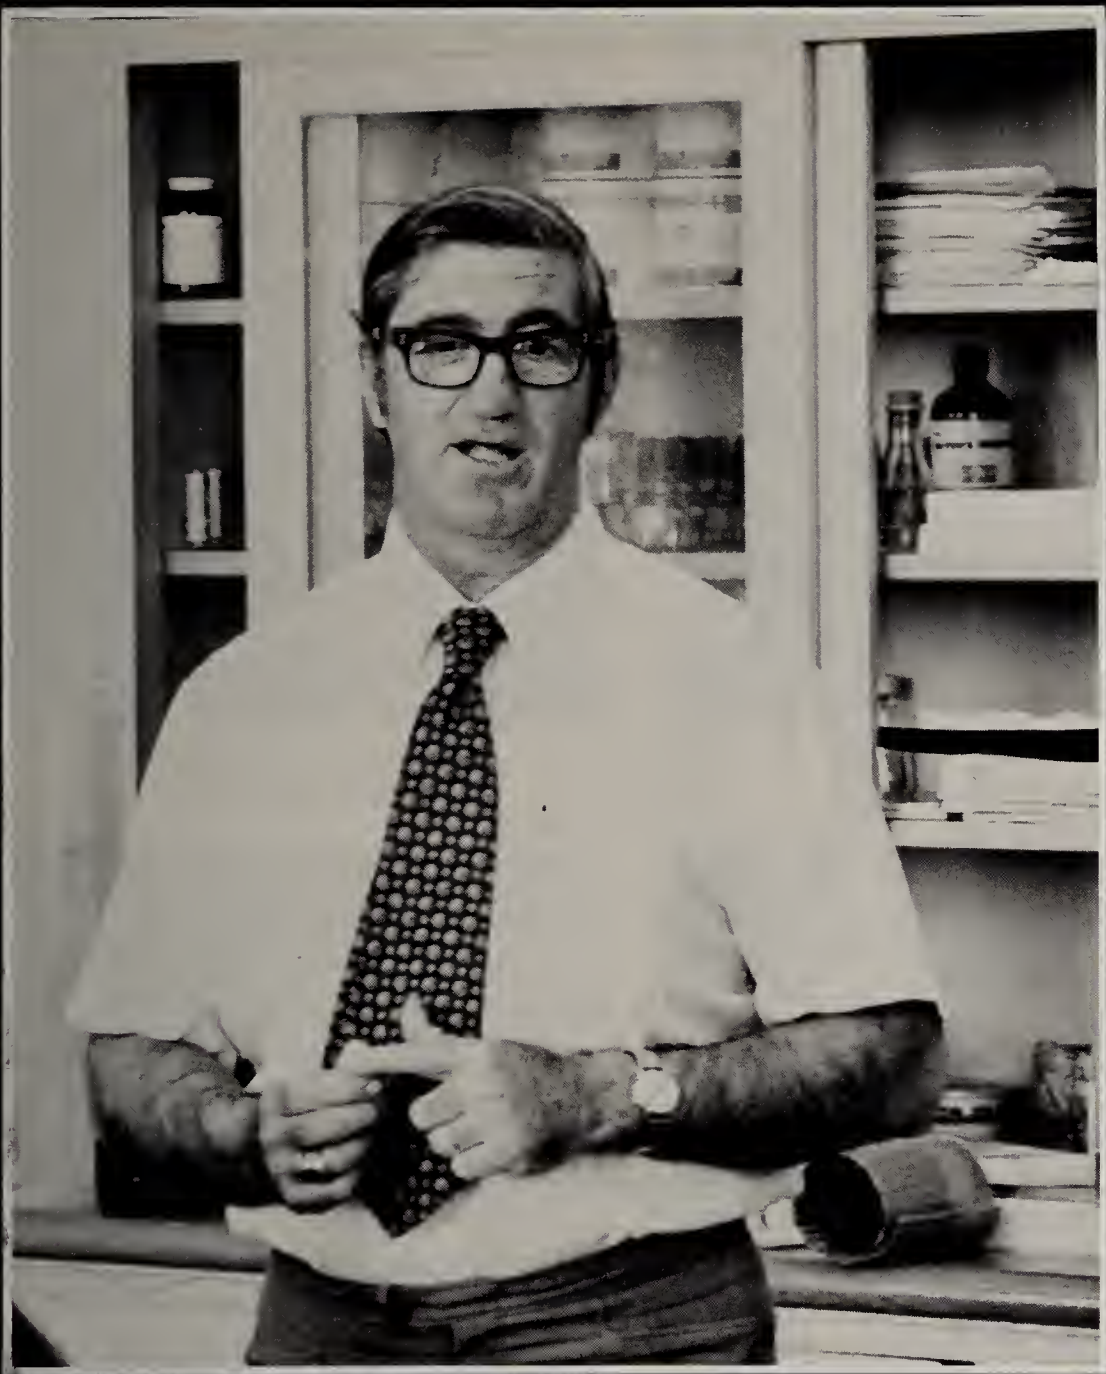

The Faculty . . .

The faculty at Somerset High School has been built much in the same way a championship team is built. It begins from within with a dedicated and determined perspective by those people allowing them to reach out with leadership and understanding to each student, regarding him as the individual he is. It is a team that consists of people with different opinions and prejudices and with a variety of talents. Each person, although devoted to his own speciality has not lost sight of the overall educational environment and has become molded into one teaching unit, providing involvement and guidance in areas outside their own specific subjects. This crucial attitude by the faculty reflects on the overall growth and success by the students and the student body. It is with fondness and respect that we dedicate the next few pages to you, the teachers of Somerset High School.

Cross Country '73

The woods are cold and damp in November
The sun sets early and there is a chill in
the wind

Around four o'clock people begin to head
home

And as the last rays of warming sunlight
leaves the earth

A lonely man appears.

He is not physically alone, for there are
a dozen or so with him . . .

but mentally he is alone

His day is not yet done

Ahead of him lies the task which tires
body and mind

He must force himself physically and
mentally to extremes

He is a cross country runner.

John Marchant

Field Hockey

'73

When you're number two you try harder! That was the attitude of the 12 member field hockey team. The team placed second in a newly formed league, replacing the old Bristol County Girls League. Their season started out slowly with games ending in 0-0 ties. As the season progressed scores were more like 3-0, or 5-1 for the Raiderettes victories. The team coached by Sheila Fitzgerald and co-captained by Anne Medeiros and Lois Mendes, closed their highly successful season with 9 wins, 4 ties, and 1 loss, which was a win for 1st place Dartmouth by a score of 1-0.

Football '72

The 1972 Somerset Blue Raider Football team completed its campaign with a record of 3-5-1. It was the Blue and White's first year of competition in the newly formed Southeastern Athletic Conference which saw SHS matched against many of the former Bristol County League and Capeway Conference powerhouses. The Raiders may have been outscored in several of these encounters but under the leadership of tri-captains John Wright, Wayne Farias, and John Cashmon, they were never outclassed.

The highlight of the 72 Raider campaign was a 20-6 victory over Case in the annual Thanksgiving Day "Super Bowl", which brought the 49'ers trophy back to Somerset — its real home!

Super Bowl III

Thanksgiving, 1972

The stage was set for a game that was billed as Super Bowl III, when the Raiders played host to the Case Cardinals in their annual Turkey Bowl Classic. The 22 Somerset seniors who donned a Somerset football jersey for the final time wanted nothing more than to return the 49^{ers} trophy to Somerset, a feat that had been denied them the previous two years. They did just that as they stopped Case with two final quarter T.D.'s and a final score of 21-7.

The Blue and White opened up the scoring in the first quarter when senior halfback Bill Brough sprinted fifty yards up the middle with the pigskin. Case went ahead in the opening of the third quarter by a score of 7-6. But in the final quarter two more Somerset seniors, John Cashmon and Steve Galib went into their act, backed by a strong, aggressive defense and when the smoke cleared the Raiders had a 21-7 victory, and possession of the long lost 49^{ers} trophy. It was a game that will long be remembered by players and fans alike.

Undefeated B.C.L. Champs

The much awaited Somerset High School hockey team finally made the scene this year and it did so in first class as the Raiders set the standard for future teams by capturing the B.C.L. crown with an undefeated 9-0-1, won-lost-tied record, and a composite slate of 20-1-2.

The team was led by captain Ken Bowers who topped the league in scoring and was named M.V.P.

At the close of the season the Raiders dominated the all-star team with five selections. Sophomore Bob Stromaier led the league with four shut-outs and best goals against average. Defenseman Gary Breen was named the league's best defenseman and won the sportsmanship award. Also named was hard hitting defensemen Mike Heywood, right winger, Steve Paskowski, who will be called upon to lead next year's team, and this year's captain, left winger Ken Bowers.

"73"

Under the direction of Coach Ray McDonald the 72-73 Blue Raider Hoopsters finished third in a strong Division I of the newly formed S.E.M. Athletic Conference. This year's varsity five were led by the all-around performance of Senior Co-Captains Don Hendriques and John Cashmon, who combined with the defense of seniors DeMello, Hussey, and Velozo and the scoring power of teammates Dunne and Setters led the Somerset five to a berth in the state basketball tournament for the third consecutive year.

Girls Basketball "73"

Somerset High's 1973 girls' basketball team coached by Miss Sheila Fitzgerald and captained by Anne Medeiros had a successful season with an impressive 9-3 record which entitled them to second place in the Division I league. The talented 'Raiderettes' always played hard and proved themselves to be a well balanced and aggressive team.

The Junior Varsity coached by Miss Barbara Norman concluded their season with a 7-5 record. Although a young team composed of freshmen and sophomores, they performed enthusiastically and showed good team effort. With the talent that was displayed this year the forthcoming season looks like an exciting and profitable one for S.H.S.

Baseball — '73

The 1973 Blue Raider Baseball team finished second in Division I of the S.E.M. Athletic Conference. The Raiders fielded a relatively young team this year, but under the direction of Head Coach Jim Sullivan and an outstanding performance by a veteran pitching staff, the Raider Ball Club came on strong in the closing stages of the campaign by defeating second place Coyle-Cassidy in the final inning of play. Two days later S.H.S. knocked off first place Attleboro to give the S.H.S. athletes a respectable second place finish and another tournament berth for the Baseball Raiders.

Softball '73

Under the co-captainship of Anne Medeiros and Sue Mello the girls softball team compiled an even record of 6-6. This highly skilled group of girls practiced long, played hard, and walked off the field knowing they had done their best regardless of a win or loss. Congratulations to Cyndee Lapointe and Lucille Levesque who were chosen for the 1973 All Star Team, also Loretta Borges, Nancy Souza, Sue Curt, and Denise Medeiros who attained honorable mention. Coach Goodwin foresees a championship team with this talent returning next year.

Volleyball '73

The 1973 volleyball team placed first in division one. The champs coached by Ms. Fitzgerald and co-capt. by MaryBeth Marchand and Anne Medeiros, were victorious with ten wins and only one loss.

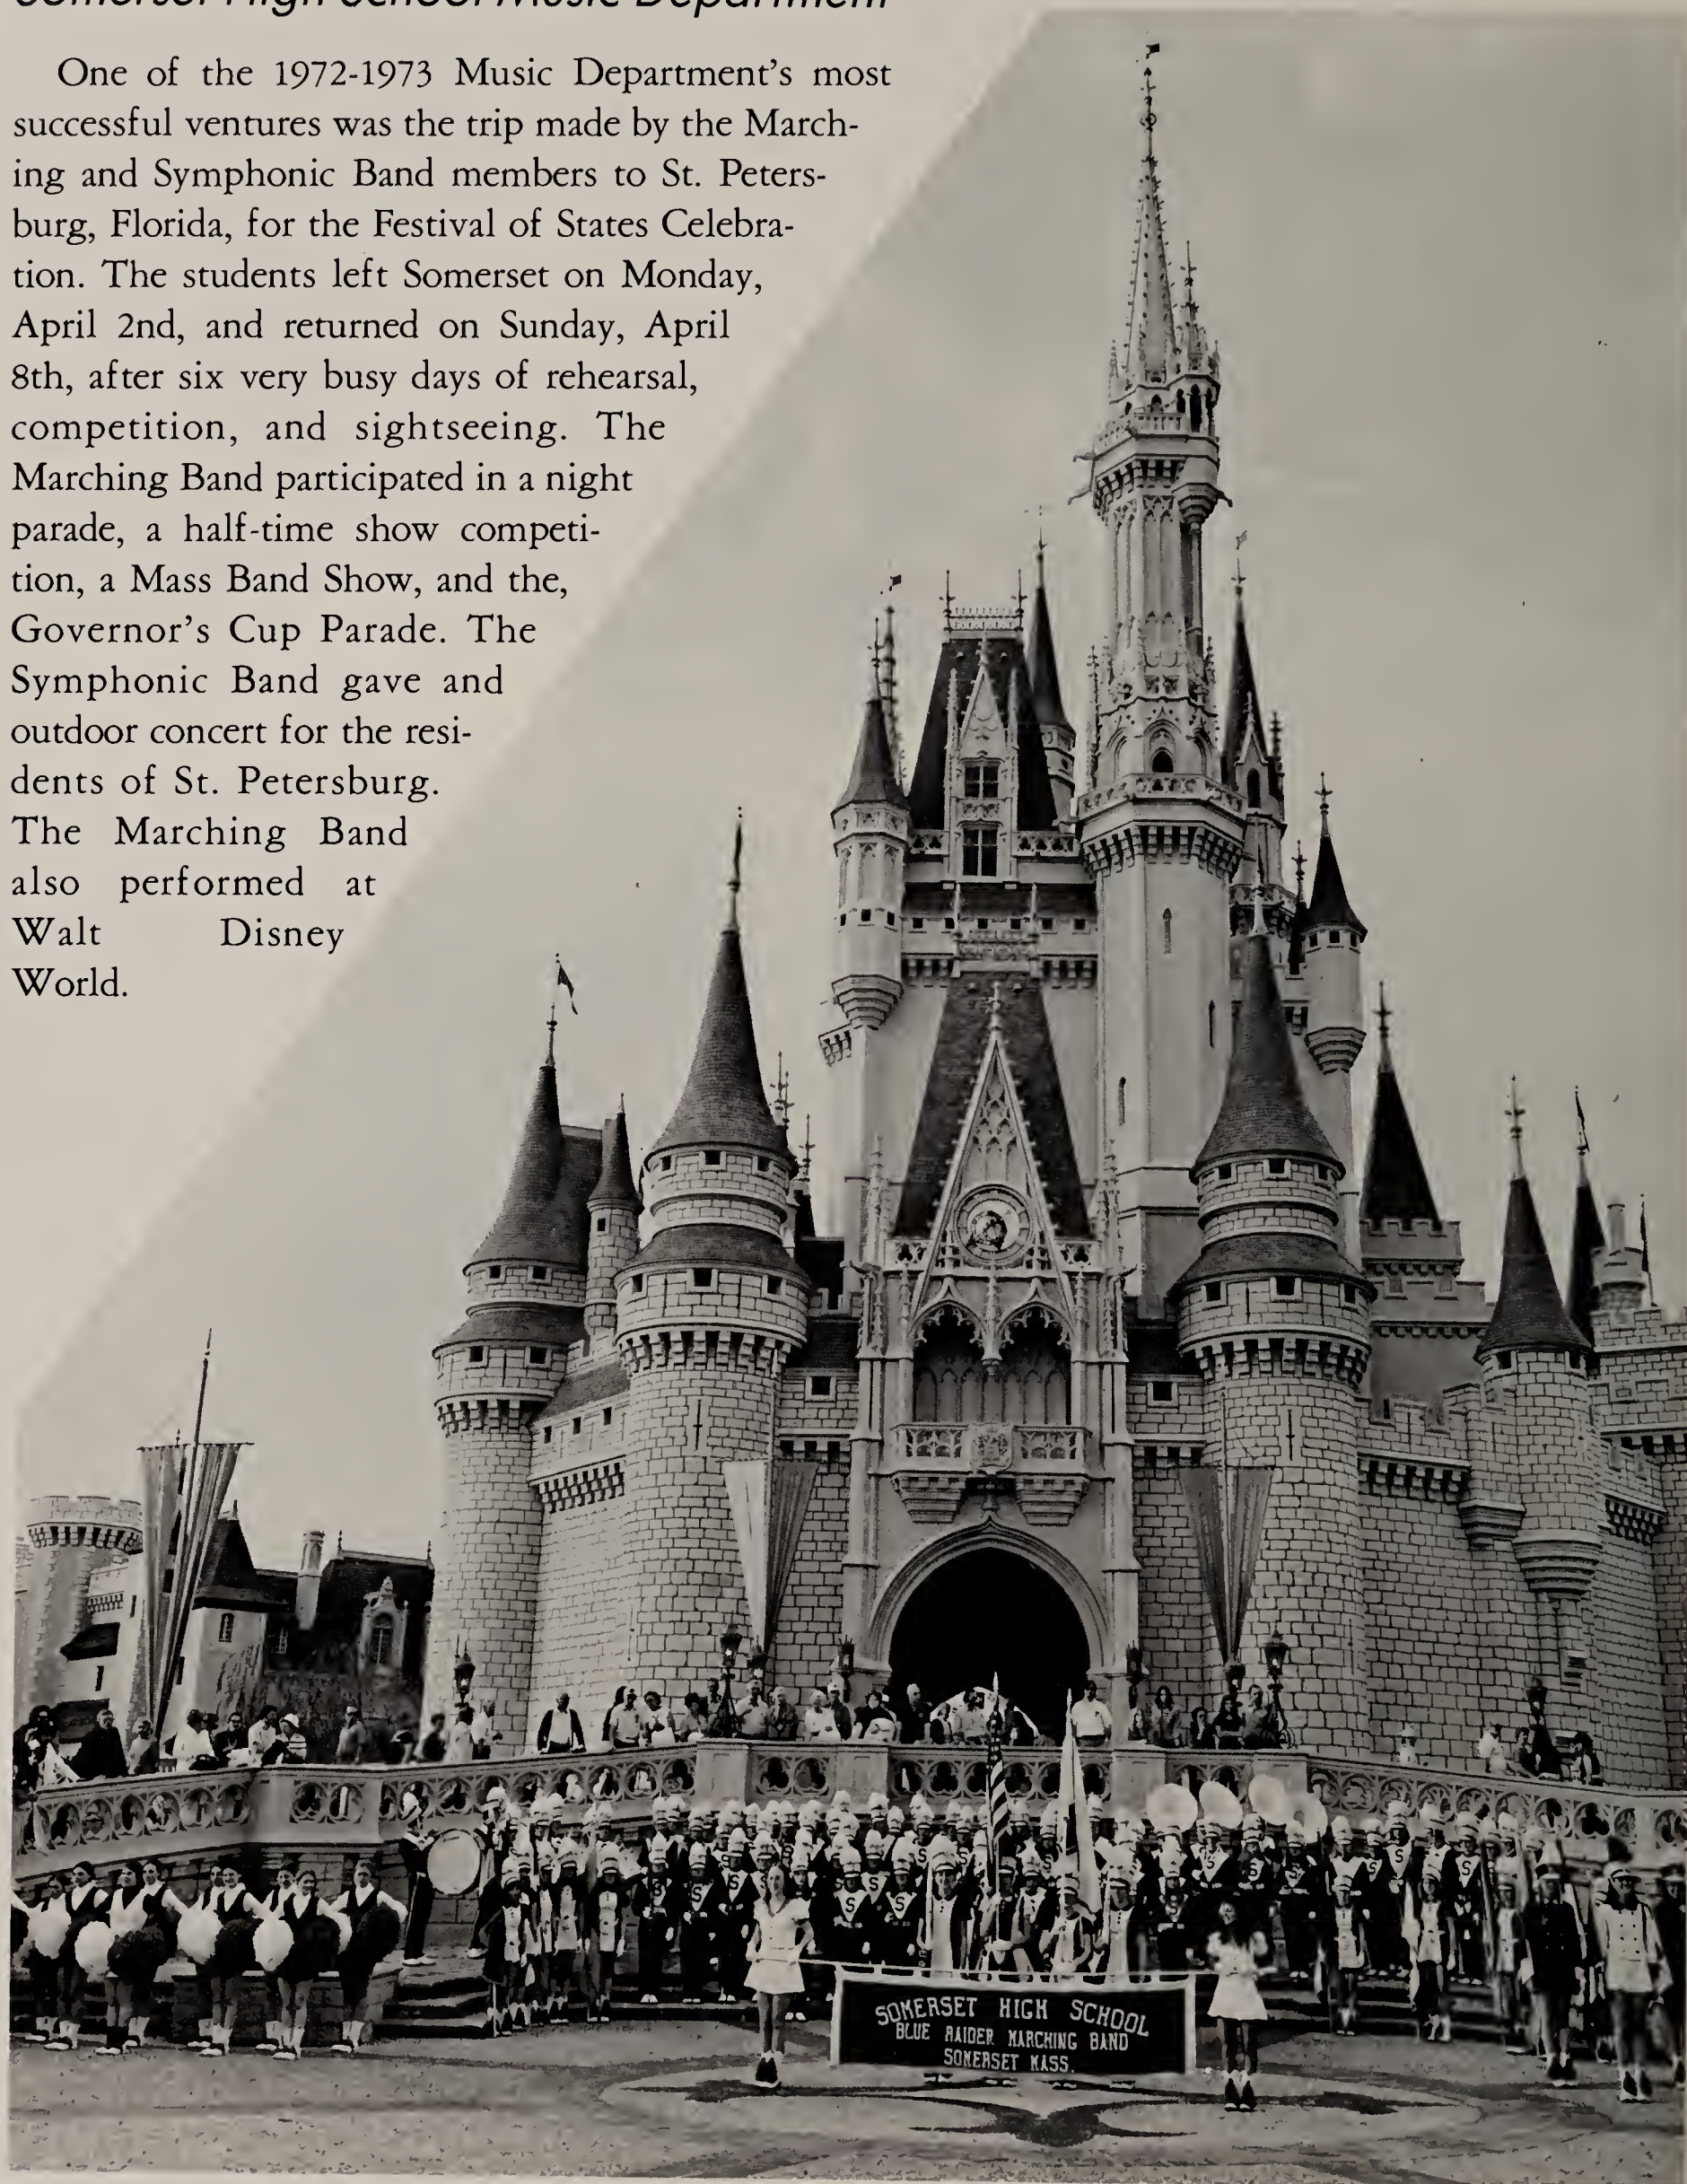

In the new league each team was played once. Each division comprised of 11 teams. Up to the end of their season, the vigorous Raiderettes were tied with Taunton, but pulled out ahead with a final defeat over Gerrard. This wasn't an ordinary victory for these hard-working girls. With this win they were rewarded with the championship trophy.

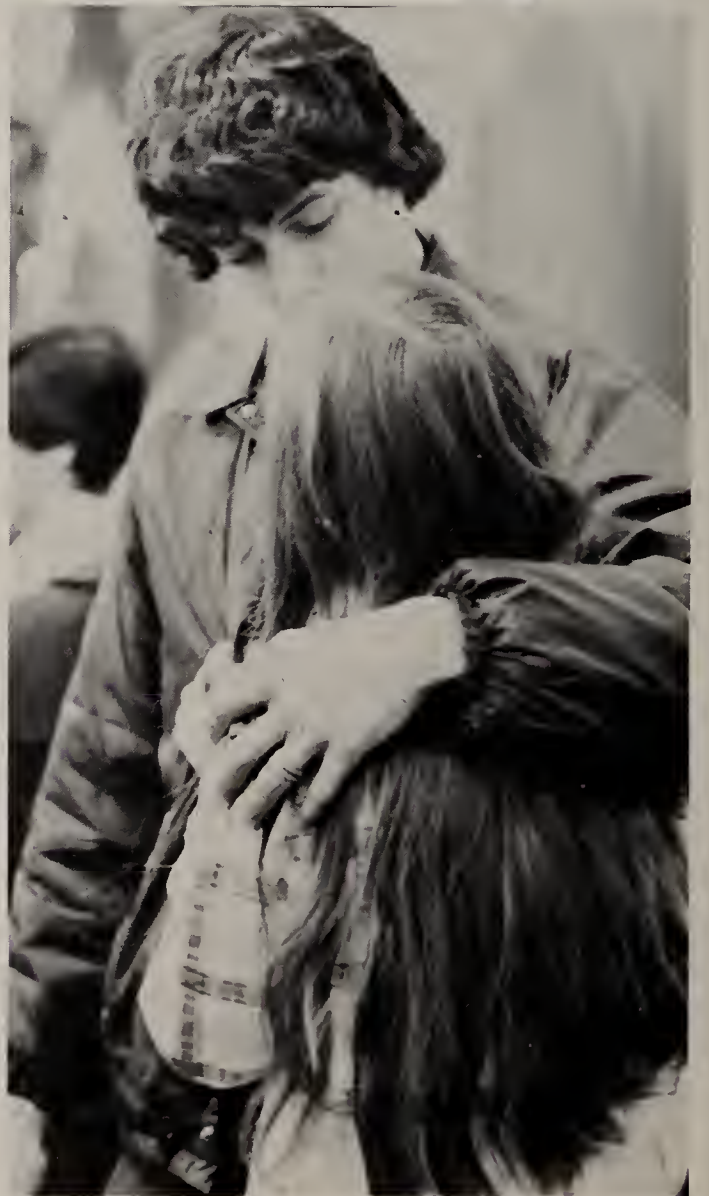

Somerset High School Music Department

One of the 1972-1973 Music Department's most successful ventures was the trip made by the Marching and Symphonic Band members to St. Petersburg, Florida, for the Festival of States Celebration. The students left Somerset on Monday, April 2nd, and returned on Sunday, April 8th, after six very busy days of rehearsal, competition, and sightseeing. The Marching Band participated in a night parade, a half-time show competition, a Mass Band Show, and the, Governor's Cup Parade. The Symphonic Band gave and outdoor concert for the residents of St. Petersburg. The Marching Band also performed at Walt Disney World.
